A Year at Muhlenberg:
Students watch the colors of the leaves change on Academic Row as yet another school year goes by. From Move-In to Commencement, Muhlenberg has been home to the 433 graduating seniors for the past four years. Their time at Muhlenberg has helped to shape them into who they are now, as they step into the next chapter of their lives.

Congratulations, Class of 2017!

Mission Statement

Muhlenberg College aims to develop independent critical thinkers who are intellectually agile, characterized by a zest for reasoned and civil debate, committed to understanding the diversity of the human experience, able to express ideas with clarity and grace, committed to life-long learning, equipped with ethical and civic values, and prepared for lives of leadership and service. The College is committed to providing an intellectually rigorous undergraduate education within the context of an inclusive and diverse campus; we strongly believe that diversity is essential to learning and to our success as a pluralistic community.

Our curriculum integrates the traditional liberal arts with selected pre-professional studies. Our faculty are passionate about teaching, value close relationships with students, and are committed to the pedagogical and intellectual importance of research. members of our community are committed to educating the whole person through experiences within and beyond the classroom. Honoring its historical heritage from the Lutheran Church and its continuing connection with the Evangelical Lutheran Church in America, Muhlenberg encourages, welcomes, and celebrates a variety of faith traditions and spiritual perspectives.

A Letter from College President

John I. Williams, Jr.

Dear Members of Muhlenberg's Class of 2017:

College days typically rank high among one's most memorable times in life. Your years at Muhlenberg College have been a time of growth and memory-making. You have learned and grown, worked hard and had lots of fun times and perhaps had a few challenging times as well. You have almost certainly formed friendships that will endure, likely for life. Years from now, you will find you treasure the pages on which this book has recorded some of your and your friends' greatest memories.

Of course, this book is immensely special for me, also. It marks important time we've spent together at Muhlenberg. I feel honored that we are forever bound in this way.

I hope you look back with great fondness, appreciation and even love for your days at Muhlenberg. As you know well, Muhlenberg is a special community; one in which we care deeply for our students and do everything we can to support student success.

I wish you all the best in the years ahead. While you have graduated from Muhlenberg College, you will remain forever a member of the Muhlenberg family. Our global community—our network—is as mutually supportive as is our campus community. Just as we have all learned how to hold doors open for others on the Muhlenberg campus, members of the Muhlenberg Network open doors for one another. Wherever your life path takes you, the Muhlenberg Network will follow and always be there, offering a source of encouragement and support.

Please remember to support your alma mater in the years ahead. Muhlenberg College will always need your support to help us provide the education and support services you received, and more, to future students. We will continue to strive to make you proud you chose to pursue your undergraduate education at Muhlenberg College. With your ongoing engagement—perhaps as a mentor for students or other alumni, a class agent, a member of a special committee or in another capacity—as well as your financial support, Muhlenberg will only grow stronger.

So, treasure your memories of your college days at Muhlenberg. Muhlenberg will always treasure you, and your support of your classmates and the College.

Best regards,

A handwritten signature in black ink, reading "John I. Williams, Jr." The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

John I. Williams, Jr.

A Letter from Student Body President Emily Morton

I was asked to write both a welcome letter to the incoming Class of 2020, and reflective letter to the graduating class. I sit here writing both of these messages and find myself wanting to write essentially the same letter to both classes. The things that we have come to know and love about Muhlenberg as freshman are the same things we cherish as we say goodbye on graduation day. Every student ends up making their respective schools their homes: your friends from back in New Jersey, New York, California, Connecticut and so on, who chose to attend Penn State or Rutgers, Lehigh or Franklin and Marshall, will find their homes in State College, New Brunswick, Bethlehem or Lancaster. However, I will assert, obviously from a somewhat biased perspective, that Muhlenberg, by virtue of its size, its geography and the character of its students, faculty and staff, is a uniquely special place to call home.

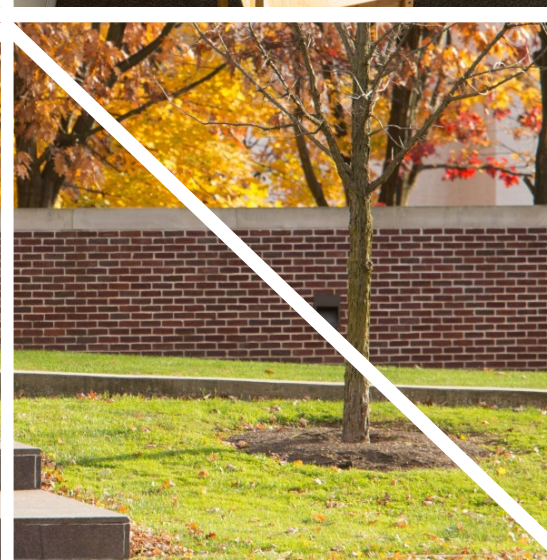

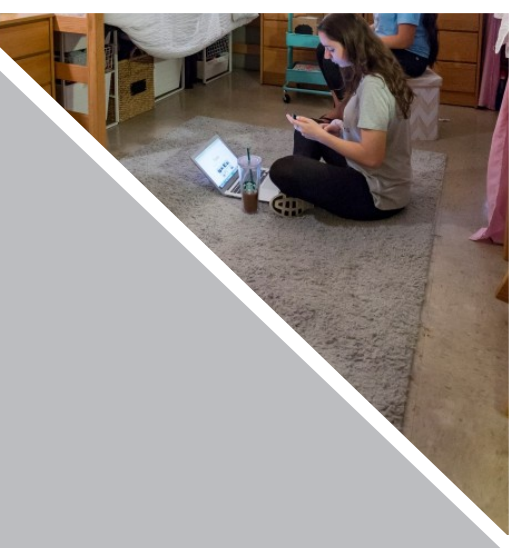

As we all know and have appreciated over four years of accumulated hot, rainy or snowy days, Muhlenberg's campus is very compact. In truth, the campus is little more than a square block or two. Consequently, most students eat at the same dining hall every day, study in the same spaces in Seegers or the library and go to class in the same four main academic buildings. On a daily basis, nearly every Muhlenberg student will make their way across Academic Row. While we may have come to resent this phenomenon while experiencing one of those all too familiar uncomfortable moments where you would really prefer to avoid someone, I do believe that on the whole, our shared space gives us a shared home and a shared comfort. There is very rarely a day where I see a face on campus I am unfamiliar with. While I may not know the name, class year, major or interests of every Muhlenberg student, I know their faces.

The way in which our small campus allows us to know each other without *knowing* each other is one of the main reasons Muhlenberg is so unique, so comfortable and such a home to all of us. *Because* when you see the same twenty faces on your trek from the dining hall to your 8 a.m. Spanish class, maybe someday instead of just passing by, you will smile or wave. And maybe the next day, when you're waiting in line for some early morning, pre-Spanish eggs at Magellan's, you'll make small talk over how inhumanely early it is, or share dining-hall hacks about how to make milkshakes with the fro-yo machine, or how you should really only eat soup out of the mugs rather than the bowls. Maybe you will find out their major, class year, what they're involved in and what their interests are. Maybe the next time you're struggling studying for a Spanish exam, you'll reach out to the seemingly random Spanish major you see from time to time on Academic Row, and then formally met in line for eggs.

Our shared space provides us with a shared experience over which all of us can bond. Our mutual bond is what allows us to walk down Chew Street or around Seegers on a rough day, and know we will always be met with a friendly face. It is this exceptional quality about Muhlenberg that will make you feel comfortable and safe in these first few weeks at Muhlenberg, that will let you know that you can seek out help when you need it, and find friends in any class year, on any sports team and in any Greek organization, club or major. This quality will also be the one you value, treasure and cry over come graduation day after four very short (I REPEAT, VERY SHORT) years.

Congratulations!

Emily Morton

Student Life

Opening Weekend	12
Homecoming	14
Family Weekend	16
Tim Kaine Rally	18
Lunar New Year	20
Relay for Life	22

Every day at Muhlenberg brings new opportunities for intellectual growth and fulfillment, not only within the classroom but throughout the campus. In any given 24 hours, a student might see a world premiere show, go to a talk by a national leader, cheer in the stands for the Mules, volunteer in the local area and much more. Our community is lively, caring and diverse.

Opening Weekend

Welcome First-Years and Returning Students!

The Class of 2020 is Muhlenberg's largest class to date. First-Year Move-In started on August 26. Move-In was made possible by the work of tireless student volunteers eager to greet their new peers.

Volunteers came from every corner of student life: athletes, student advisors, members of Greek organizations and many others. Welcome to the Class of 2020!

Move-in crews have an early start to their day, with shifts starting at 7a.m.!

This year, first-year students moved in on the sunny morning of Friday, August 26. Student crews assisted with the unloading of cars to help reduce stress on this big day. The volunteers, new students and their families were all also provided with a delicious lunch by Muhlenberg.

Homecoming Weekend

Welcome Alumni!

Each September, Muhlenberg alumni from all around the country return to campus to reminisce with old classmates and see a football game! Alumni can also bring their families and pets to enjoy festival activities on the College Green. At the end of the night, a fireworks show astounds!

There are family friendly activities going on all day, including bouncy castles, facepainting and lawn sports.

Students, parents and alumni tailgate for the big game on the lawn in front of the Life Sports Center.

Family Weekend

Welcome Parents!

Throughout Family Weekend, Muhlenberg hosted events and programs for students, parents, siblings and alumni alike. Family Weekend regularly

features food, entertainment, faculty presentations and more. It is a great opportunity for families to spend time with their student.

Tim Kaine Rally

Democracy at Work!

This college takes great pride in its politically engaged student body. The overwhelming display of enthusiasm showed on campus for the visit from vice presidential candidate Tim Kaine was no surprise. Hillary Clinton and Kaine campaigned opposite Donald Trump and Mike Pence in the 2016 presidential election. The election results were close, with Trump eventually winning the presidency.

Pennsylvania was seen as a strong swing state in this election, and was visited frequently by both Republicans and Democrats.

Pennsylvania went to Donald Trump in the election, with 48.8% of the votes, but Lehigh County votes leaned in favor of the Democrats.

Kaine visited Muhlenberg in late October, making this one of the final stops on the campaign trail before the November election.

Lunar New Year

Delicious Dumpling Fest

This gorgeous event, helmed by the Asian Students Association, brings to campus a Lunar New Year celebration. The event featured specialty foods in the dining hall, including green tea frozen

yogurt and meat or vegetable dumplings. Seegers Union got quite the makeover, with beautiful red paper lanterns and balloon dragons hanging from the ceiling.

The New Year celebrations featured a Festival of Lanterns with sparklers. Loud noises and bright lights are traditionally used to scare the beast Nien away. Students also handed out red envelopes, meant to bring prosperity in the New Year.

The event featured live performances, including students playing Chinese music and reciting poetry.

Students helped make “dumpingfest” a reality, by volunteering alongside faculty and dining hall staff to make hundreds of dumplings.

Relay for Life

Let's Kick Cancer Out of This World!

The 2017 Muhlenberg Relay for Life took place on March 31 from 6 p.m. to 2 a.m. The event was held in the Life Sports Center Field House. Students and volunteers helped raise over \$47,000!

The event featured a DJ, performances from student groups and several speakers to talk about how cancer has affected them personally. Relay for Life is always a beautiful and moving event.

Alpha Chi Omega

The 2016-2017 school year was a big one for the sisters of Alpha Chi Omega. These women have made their mark through their hard work and dedication towards their philanthropy, domestic violence awareness. The sorority also partners with Turning Point, a women's shelter in downtown Allentown. This year the women planned their second annual a cappella concert and attended Turning Point's candlelight vigil to commemorate victims of domestic violence.

The women partook in Relay for Life, Winterfest and many other on and off-campus activities. In addition to their dedication to philanthropy, AXO underwent an exciting recruitment week during the fall in which they gained 31 new members. The chapter's executive group worked to improve communication and growth by attending events through their headquarters. This paid off greatly when the chapter won a National Chapter Leadership Award.

Through continuously pushing each other to be their best, truest selves this group has grown and found lifelong friends in the Zeta Chi chapter of Alpha Chi Omega.

Delta Zeta

Delta Zeta XI Iota chapter at Muhlenberg was founded October 24, 1984. We've been around 33 years and are still going strong! Since then we have thrived and expanded our sisterhood to what it is today. We pride ourselves on philanthropy, loyalty and "love that is ever steadfast!"

Our philanthropies include Speech and Hearing, The Painted Turtle Camp and The Valley Youth House in Allentown. Our chapter is a part of Delta Zeta Region 2.

We currently have a total of 46 members in our chapter and our average GPA is 3.62.

Phi Mu

Phi Mu had a great year! We became an organization of 76 women after we welcomed our newest pledge class of 27 amazing young women. We raised over \$1,000 for Children's Miracle Network Hospitals, our national philanthropy, with the "Get on the Ball" event in the fall. We joined forces with ZBT and Wheel of Miracles in the spring, which was co-sponsored by the Pediatric Cancer Club. We also had smaller fundraisers like Kisses for Kids and the Lollipop Tree. We joined the sorority and fraternity community for Greek Week and Winterfest and we got to know women in other sororities through bonding events with Delta Zeta and Alpha Chi Omega. Amongst ourselves, we went bowling, had movie nights and took study breaks. We are also preparing for our 25th anniversary which takes place in Fall 2017.

Phi Sigma Sigma

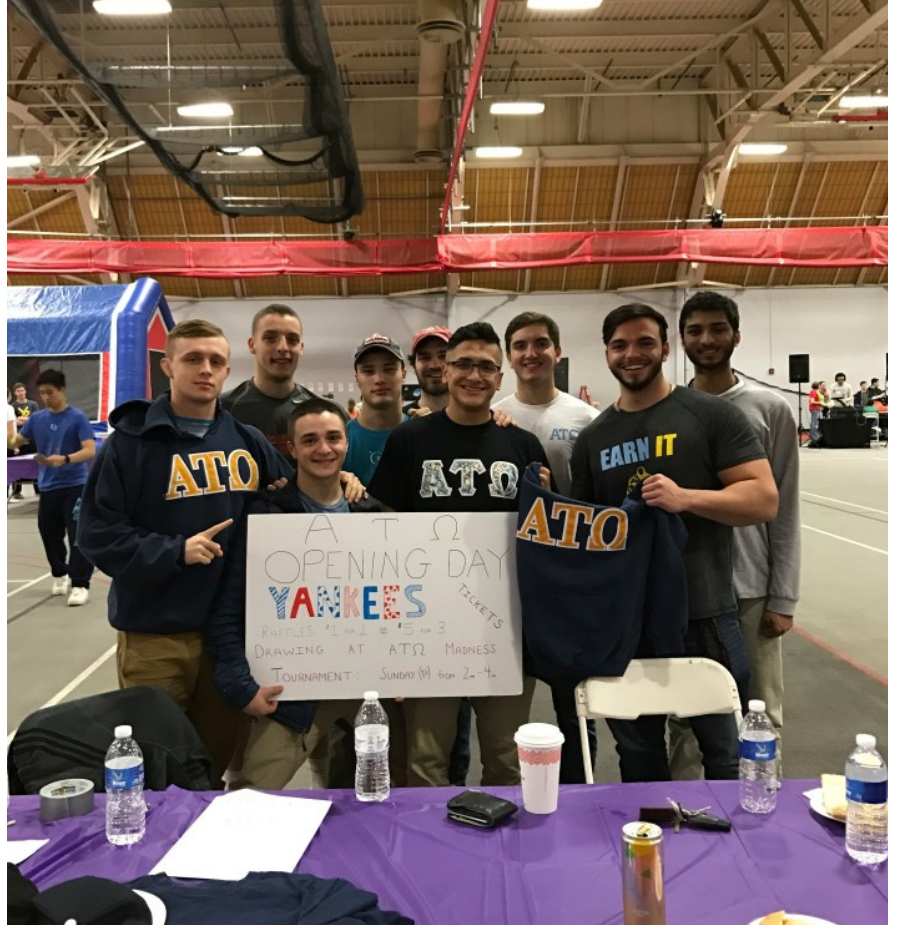

The Delta Lambda chapter of Phi Sigma Sigma reflects the values put in place by the founding sisters. We pride ourselves on encouraging thoughtfulness and learning. We are a group of individuals who share a common bond and support system. You'll often see many Phi Sigs in the audience of a performance, a lecture or a game, cheering their sisters on. We also value leadership and service. Many of our sisters hold leadership positions around campus and are involved in many activities. Our chapter received Muhlenberg's Academic Achievement Award for an impressive, comprehensive scholarship plan and a consistently high GPA.

Alpha Tau Omega

This year ATO welcomed 13 new members in the fall and seven in the spring. We had our biggest chapter size since returning to campus 10 years ago with 56 active brothers. ATO brothers participated in No Shave November, Clean Up Allentown and Relay for Life, among other philanthropy opportunities. Along with philanthropy, ATO's excelled in the classroom with nine brothers achieving a 4.0 GPA and 28 brothers on the Deans List this spring. The future looks very bright for Alpha Tau Omega at Muhlenberg.

Delta Tau Delta

This past year was great for the brothers of Delta Tau Delta. We placed #1 in community service hours, campus community building and alumni engagement among all fraternities.

We welcomed 15 new members and hosted four philanthropic events on campus. Additionally, we won Greek Week (along with Phi Sigma Sigma) and got our long-awaited letter house back.

We can't wait to show Muhlenberg our commitment to excellence in the coming year!

Sigma Phi Epsilon

Sigma Phi Epsilon returned to campus in spring 2017 after a reorganization of its membership following a semester of suspension in fall 2016. Our initial brotherhood of 10 soon welcomed 11 new brothers, all sophomores who are leaders both on and off-campus in their own right.

Throughout the spring our chapter held several community service activities, including our annual blood drive (our most successful yet!) and our service day at the Lehigh Valley Zoo. Brothers anxiously anticipate the re-opening of our chapter house in Fall 2017 after extensive renovations.

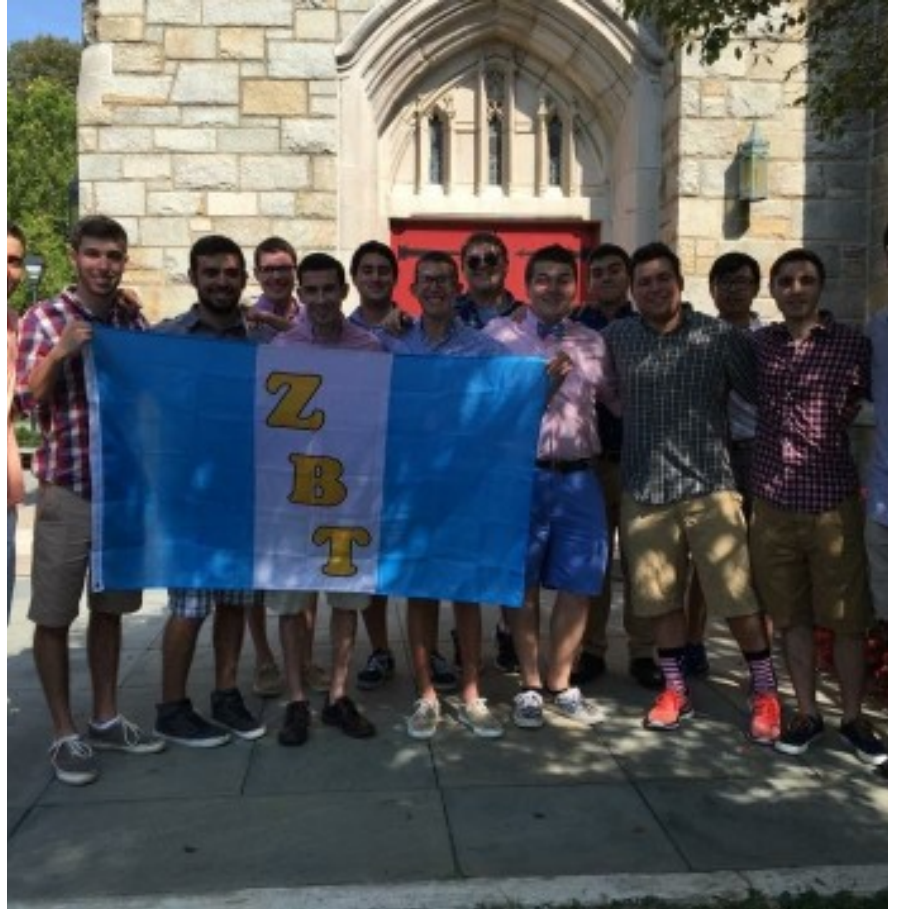

Zeta Beta Tau

This year was the Alpha Nu Chapter's second and most successful year. Over the year, ZBT welcomed 14 new brothers, bringing the chapter total to 32. In the fall, the brothers hosted a number of events, including “Get On The Ball,” an annual fundraiser for the Children's Miracle Network and Children's Hospital of Philadelphia.

In the spring, the colony became a chapter as they were officially chartered by Zeta Beta Tau. Other highlights include the highest IFC GPA and the Greek-wide high for average community service hours with 39.5 hours per brother in the fall! The brothers are excited to build off of this great year and continue to grow and prosper in fall 2017.

Alpha Phi Omega

APO is a national, co-ed service fraternity founded at Lafayette College in 1925. The Alpha Phi Omega Xi Alpha chapter is going strong with 72 active brothers. We have had great recruitment this year, initiating 24 pledges in the fall and 21 in the spring! APO members do the most service of any Greek organization, with brothers required to complete at least 24 hours a semester. Members volunteer at a variety of programs including Manito, America Reads, Best Buddies, Caring Place, The Sanctuary and more. We capped a great year off with a formal held at Fegley Brew Works. Congratulations to our graduating seniors! In Leadership, Friendship & Service!

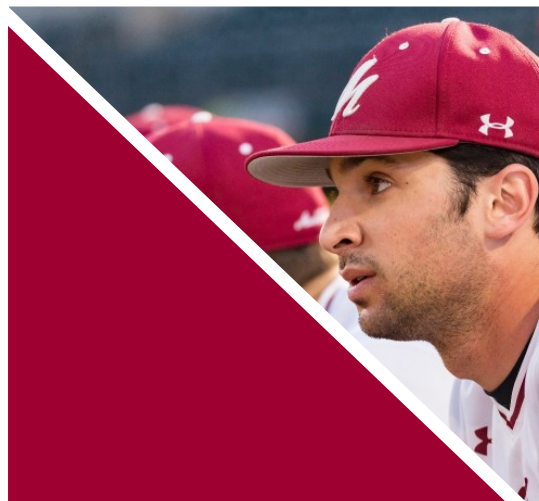

Kappa Kappa Psi

The Mu Xi Chapter of Kappa Kappa Psi, the national co-ed band fraternity, is dedicated to providing service and leadership to the Muhlenberg band program and surrounding Lehigh Valley communities, while upholding the highest levels of musicianship in ensembles associated with the College.

**Congratulations
Seniors!**

Thank you to the Class of 2017!

Since 1987, the Senior Class Connections Campaign at Muhlenberg has been a student-led initiative that raises funds in support of the College.

The campaign gave us an opportunity to make our mark and assist current and future Muhlenberg students as an expression of solidarity with our fellow Mules, gratitude to faculty and staff and pride in our alma mater. Thank you to all the members of the Class of 2017 who supported Muhlenberg and future students.

Baccalaureate

The Baccalaureate service was held on the College Green on the evening of May 20, 2017. This ceremony is an inter-faith candle lighting service that begins the Commencement weekend activities for students and their families. In addition to readings and music offered by members of the class, President Williams addressed the gathering and several seniors offered reflections.

Commencement

Muhlenberg's 169th Commencement ceremony was held on campus at 10 a.m. on May 21, 2017. The ceremony took place on the College Green, with the iconic Haas College Center and its signature bell tower serving as a backdrop. The Commencement speaker was Judy Woodruff, and honorary degrees were presented to three individuals who are accomplished in their fields.

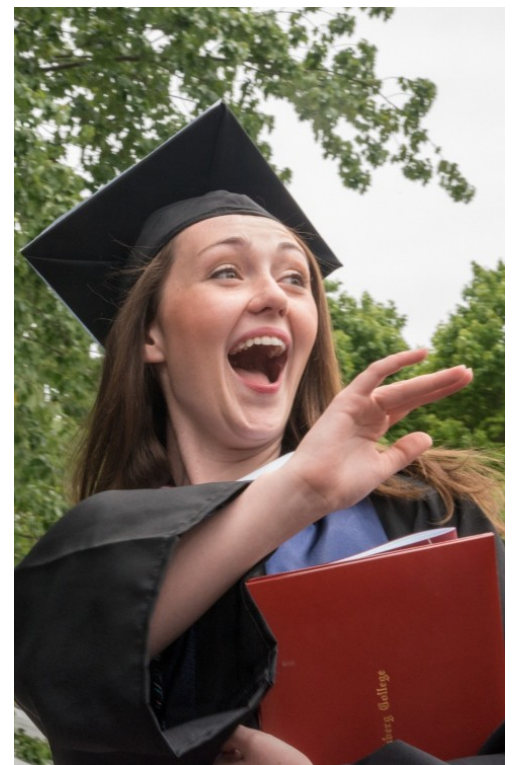

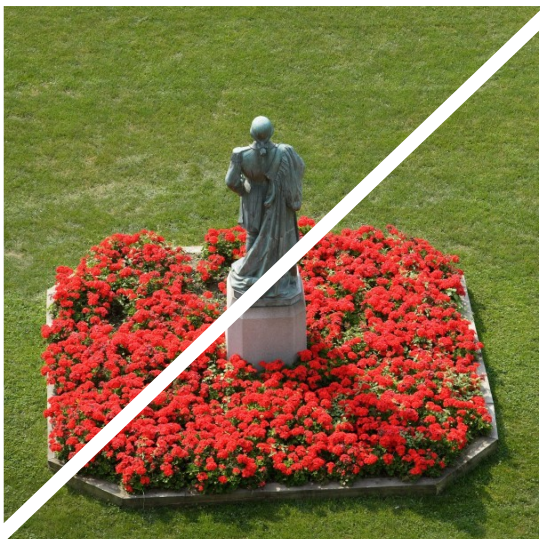

Parent Pride

While this yearbook has thus far focused on the students, faculty and daily life of campus, we would also like to take the time to recognize those that have helped us get to this point.

For four years, Muhlenberg gave us a home away from home. We called, texted and Facetimed our parents and siblings when we could—on our way to meetings or class, catching them up on our our most recent exam, paper or interesting lecture from our favorite professor. They listened eagerly and gave thoughtful advice when appropriate.

When graduation came along and we walked across the stage and received our diplomas, many of us realized that this was not only our diploma, but in a way it was our family's as well. It represented the constant support from our loved ones that made our degrees possible.

Congratulations Catherine! The world is yours, and we know you will continue to accomplish great things! We love you and are so very proud of you!

Mom and Dad xo

Matt, We can't put into words the pride that we feel. Some of the steps you've taken on this journey have been unexpected bumps, but most have been wonderful leaps! You've learned how to pick yourself up and overcome tough obstacles. All the knowledge in the world doesn't teach some of life's hardest lessons - living a life of honesty and integrity does! Be accountable to yourself and to others! Continue to make your life amazing by helping others, giving back and truly wanting more. Reach for the end goal and always make the outcome exceed what you could ever expect. You have the power to make it happen.

You have given so much to us - we pray for the most fulfilled future for you. The hard work you've put in has been realized, let yourself enjoy every minute. The rest of your life..should be the best of your life! We will always be here cheering you on! All our love, Mom, Dad, Brian, Marisa and Natalie

Kate Weisenseel

Congratulations Kate! We are so very proud of you and all that you have accomplished throughout your four wonderful years at Muhlenberg. Keep smiling, follow your dreams, and enjoy the journey and this exciting new chapter in your life. Carpe Diem!

With Love,
Mom, Dad and Kristen

Congratulations Tom, Matt, Ty and Tom -

Wishing you nothing but luck and fortune as you enter this new chapter in your lives. Keep your focus on the future and the endless potential and possibilities it offers. Work towards your dreams and goals one step at a time and may every one come true! You have made us all very proud!

LAUREN BOSIGNO

Dear Lauren,

We can hardly believe that the little girl who walked around the house with ruby slippers on her feet and shopping bags on her arms is graduating college. We remember those days vividly and speak often about them with smiles on our faces. As the first child and grandchild in the family, you brought more joy and pleasure than anyone could possibly measure. Watching you grow into a beautiful, responsible, mature and intelligent, woman has been an amazing journey for the both of us. It's a journey that we would gladly do over and over again with you as our daughter. We have always been immensely proud of you, not only academically, but also as a person. This should come as no surprise to us because you've always had a beautiful soul since the day you were born. You came out smiling and that's the way you stayed.

It is a special gift to a parent when they never have to worry about the decisions their child is making. You have given us this very special gift. You have always made the right decisions and never disappointed us in any way, we can never put into words how much that means to us. You will understand this gift one day when you're a parent.

As you continue with your life's journey, know this, we will always be there for you. No matter what you need, or when you need it, we will be there for you. That is our gift to you. While your journey is in its infancy, we know you will be successful in whatever path you choose to take. More importantly, be happy with all your decisions and enjoy life to its fullest. We love you so very much and take great pride in calling you our daughter.

Love

You are our daughter, we love you so-so much.
From the day you were born, that very first touch.
You entered our lives, made it so much more,
We knew it right away, it was better than before.
We wish that you live, a life that's truly complete.
Hope it's filled with adventures, may your memories be so sweet.
We'd just like to say, we're tremendously proud,

to love you always and forever,
in our hearts, we have vowed.

Love you to the moon and back,

Lauren Kenney

Dear Lauren . . .

You have been accomplishing great things since 8:25 PM on May 3, 1995. Your school years have flown by, but our pride in you will last a lifetime.

You have significant things yet to do! Be bold, enjoy the journey, and remember we believe in you and we love you!!

Dad & Meagan

Congratulations Michael

You have given us so many reasons to be proud of the man you have become. You've worked hard on the field and in the classroom, always going that extra yard. Continue to face challenges with the same strength, determination and confidence and you will go far in life. You were born to do great things! Go out and chase your dreams. We wish you all the best for your future.

With much love, Mom, Dad & Jacqui

Congratulations Seniors!

Dear Maya,

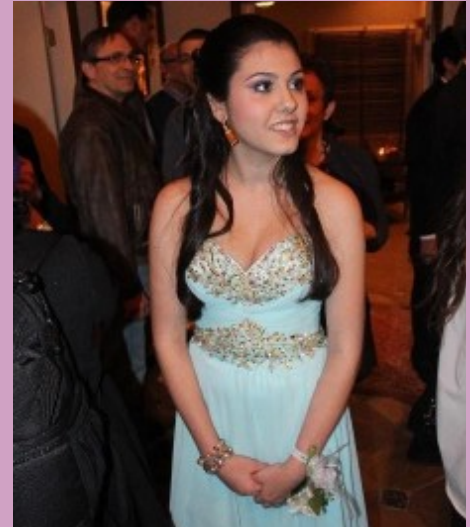

Congratulations on all your achievements and
your graduation!

Always remember to shoot for the moon. Even if
you miss, you'll land among the stars.

We are very proud of you and love you very
much!

Love,

Mom, Dad, and Gil
